Allopathic, Ayurvedic and Unani Dispensaries in the State.

Q.—1631. Sri M. MALLIKARJUNA SWAMY (Malavalli).—

Will the Government be plased to state :—

(*a*) the number of Government Allopathic, Ayurvedic, and Unani Dispensarics in the State ;

(*b*) the conditions, if any, to be fulfilled by the public for establishing these dispensaries?

A.—Sri K. K. HEGDE (Minister for Health).—

(*a*) Allopathic	...	715
Ayurvedic	...	53
Unani	...	18

(*b*) There has been no uniformity in regard to the rules for the opening of dispensaries in the New Mysore State.

In the case of erstwhile Mysore State for opening of Local Fund Dispensaries in rural areas the local bodies or the local public should come forward with the buildings both for housing the dispensary and the staff and the local bodies should also agree to bear the initial, and recurring charges on these dispensaries except the salary of the Assistant Surgeon Grade III and the cost of imported medicine which the Government will bear. Though the local bodies agree to the above, the Government will examine the necessity for the same and sanction the opening of the dispensary if there is no medical aid available in the nearby area.

Ayurvedic and Unani Dispensaries.—

These dispensaries are run by local bodies and the Government will be giving some subsidy to the local bodies.

In Bombay and Madras Karnatak areas-the Municipal or District Board take the initiative to establish the dispensaries and approach Government for payment of Grant-in-aid which will be granted according to rules prevailing in the respective areas.

In Hyderabad Karnntak area and Coorg all the dispensaries are maintainned by Government and the new dispensaries are opended by Goverument on the request from the public examining the need for the same.
